

Please note your next date to serve in the nursery. Due to a policy change: please bring your driver's license when you check in as we will need to scan it and print a badge for you. If you are unable to serve on this day, please find another Orangewood member to sub for you .

If you have recently moved out of the area, changed your church membership, or are experiencing other extenuating circumstances that prevent you from serving at this time, please contact Marie Cardinali at mcardinali@orangewood.org to be removed from the list.

Thank you for serving!
